SUMMARY

I'm a Business Information Systems student who is passionate about helping designers and developers ship their very best work. I am currently an undergraduate studying at Binus International University. I'm a detailed-orientated, critical-thinking, and objective analytical individual. I'm also adaptive to various kinds of environments and am also a quick learner. I am eager to learn and encounter new experiences from different kinds of backgrounds or surroundings. I am also an individual who likes to multitask as it refreshes me and encourages me to be in a more productive manner.

EXPERIENCE

2021 ● Media Partner in FUSE Experience 2020

Binus International University

In my third semester of in my university, I was participating on an organization known as the Fuse Experience whose role is a Media partner who is in charge of finding, contacting and managing potential partners for the organization

2021 ● Hantam Podcast

Binus International University

While studying, I had also participated on being a host of a podcast in my university. In addition, I have learned several perspectives relating on video editing and content creation.

2019 ● Barista Certificate

Barista Basics Coffee Academy

I have taken a Barista course to learn the basics of creating delicious coffee. In addition, I have learned several aspects regarding on how to serve coffee and operate espresso manual machines
